

Principles of Technology
Carol Morgan School
Ms. Norman ~ Room 136

Intro to PhotoShop Task 1 - **10 points**

Task: Create Abstract Design Name Card

For this assignment, use Atomic Learning
user name ~ carolmorgan

password ~ school

Video #s (30038, 30039, 30040, 30041, 30042)

Video #s (30104 – 30116)

Should include:

1- Drawing with brushes of:

a. Different colors, thickness and opacity (3)

2- Use text tool to:

a. Add first and last name (2)

b. Each name should be

i. Different colors (1)

ii. Different font (1)

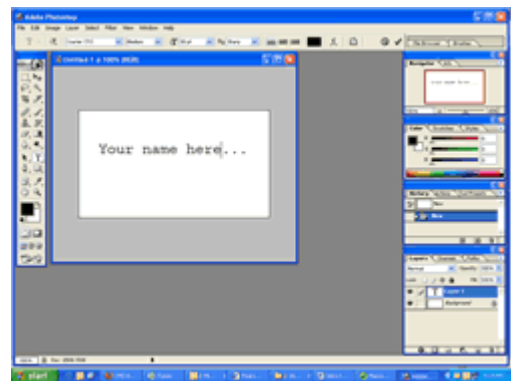

iii. Different size (1)

3- Demonstrate that you can change the background
color (2)

a. Erase with a different background color

b. Show PhotoShop Screen to teacher for Sign Off

All this should be completed by the end of the class,
and the card should be shown to the teacher for a sign
off. You “turn-in” this assignment by showing it to the
teacher and they will check off that you have completed
this assignment.
